HE'LL NEVER BE ABLE TO LEAVE THAT COLOSSEUM AS A HUMAN BEING...!!
APPARENTLY HE'S MOUNTED AN ATTACK ON THE HOUSE OF TOYS...
BUT I DON'T FANCY HIS CHANCES AGAINST MY OFFICERS.
AS FOR THE REST OF THEIR CREW, WHAT ACTION ARE THEY TAKING?
THE ONLY ONE TROUBLING ME RIGHT NOW IS THAT STRAW HAT "CYBORG" FRANKY.
THAT JUST LEAVES "PIRATE HUNTER" ZORO...
..."FOXFIRE" KIN'EMON, NICO ROBIN, AND SOGEKING.
THERE ARE ONLY TWO ROUTES FOR THEM TO REACH THE FACTORY...
THROUGH THE HOUSE OF TOYS, OR THROUGH THE FRONT GATES OF THIS PALACE...!!

THEY DON'T EVEN STAND A CHANCE OF REACHING MY UNDERGROUND WORLD...!!!
THEN IF WE ENTER THE PALACE, WE CAN REACH BOTH THE HOUSE OF TOYS AND THE FACTORY?!
AT THE BASE OF THE KING'S PLATEAU
NORMALLY WE DON'T SHOW OURSELVES TO ANY BIG HUMANS OUTSIDE OF THE ROYAL FAMILY...
BUT THE STRAW HAT PIRATES - OR "USO-LANDERS" - ARE A SPECIAL CASE!!
USO... LANDERS ...?
YES, THEY ARE ALL CONNECTED ON THE INSIDE!
...STILL, I CAN HARDLY BELIEVE MY EYES!! SUCH A TINY HUMAN BEING!!
IT'S LIKE SOME KIND OF TOY!! DWARFS ARE AMAZING!!

THE CAP-TAIN'S S.O.P. OPERATION HAS ALREADY BEGUN!
LOOK!! WE CAN SEE IT NOW!!

THAT'S THE LIFT THAT LEADS TO THE PALACE ENTRANCE!!
バン!!
TO GET ON BOARD, YOU NEED TO SHOW AN OFFICIAL PASS TO THE LIFT GUARDS, BUT...
I'LL JUST BEAT THEM UP!!
IF YOU DO THAT, IT'LL CAUSE A COMMOTION, AND MORE ENEMIES WILL...
HM? WHO'S THAT OVER THERE?! ANOTHER ENEMY?!
YOU MUST BE STRAW HAT LUFFY!!
HUH?!
I'VE BEEN WAITING FOR YOU!!
I'LL HELP YOU GET INTO THE PALACE!!

Got it? Try it! It's fun!

Where's the dignity!! The decor!!

R : Robin's hands are so pretty, aren't they. I want to rub them.
Please. P.N. Yoshikage 0130

O : Aaah it's a pervert!! Give me a freakin' break!!
This corner gets lots of angry mails from the PTA, you know.
Please stop sending such unrefined questions!!

R : Oda-sensei, which scene made you cry the most while you were drawing it? Please tell me.

P.N. ca-100

O : Ooh...good. Serious questions like this are good...
Personally, there are a lot of scenes that I drew with tears in my eyes...
It also happens a lot that I can't go on drawing and I have to stand up from my desk.
The one scene that made me cry the most, as in I had the hardest time drawing, was towards the end of the Alabasta arc, where Vivi screams "Please stop fighting!!!" (vol 23)
I remember that it was too hard, I couldn't go on drawing... If I think about it lots of scenes come to mind, but this is the top one maybe...

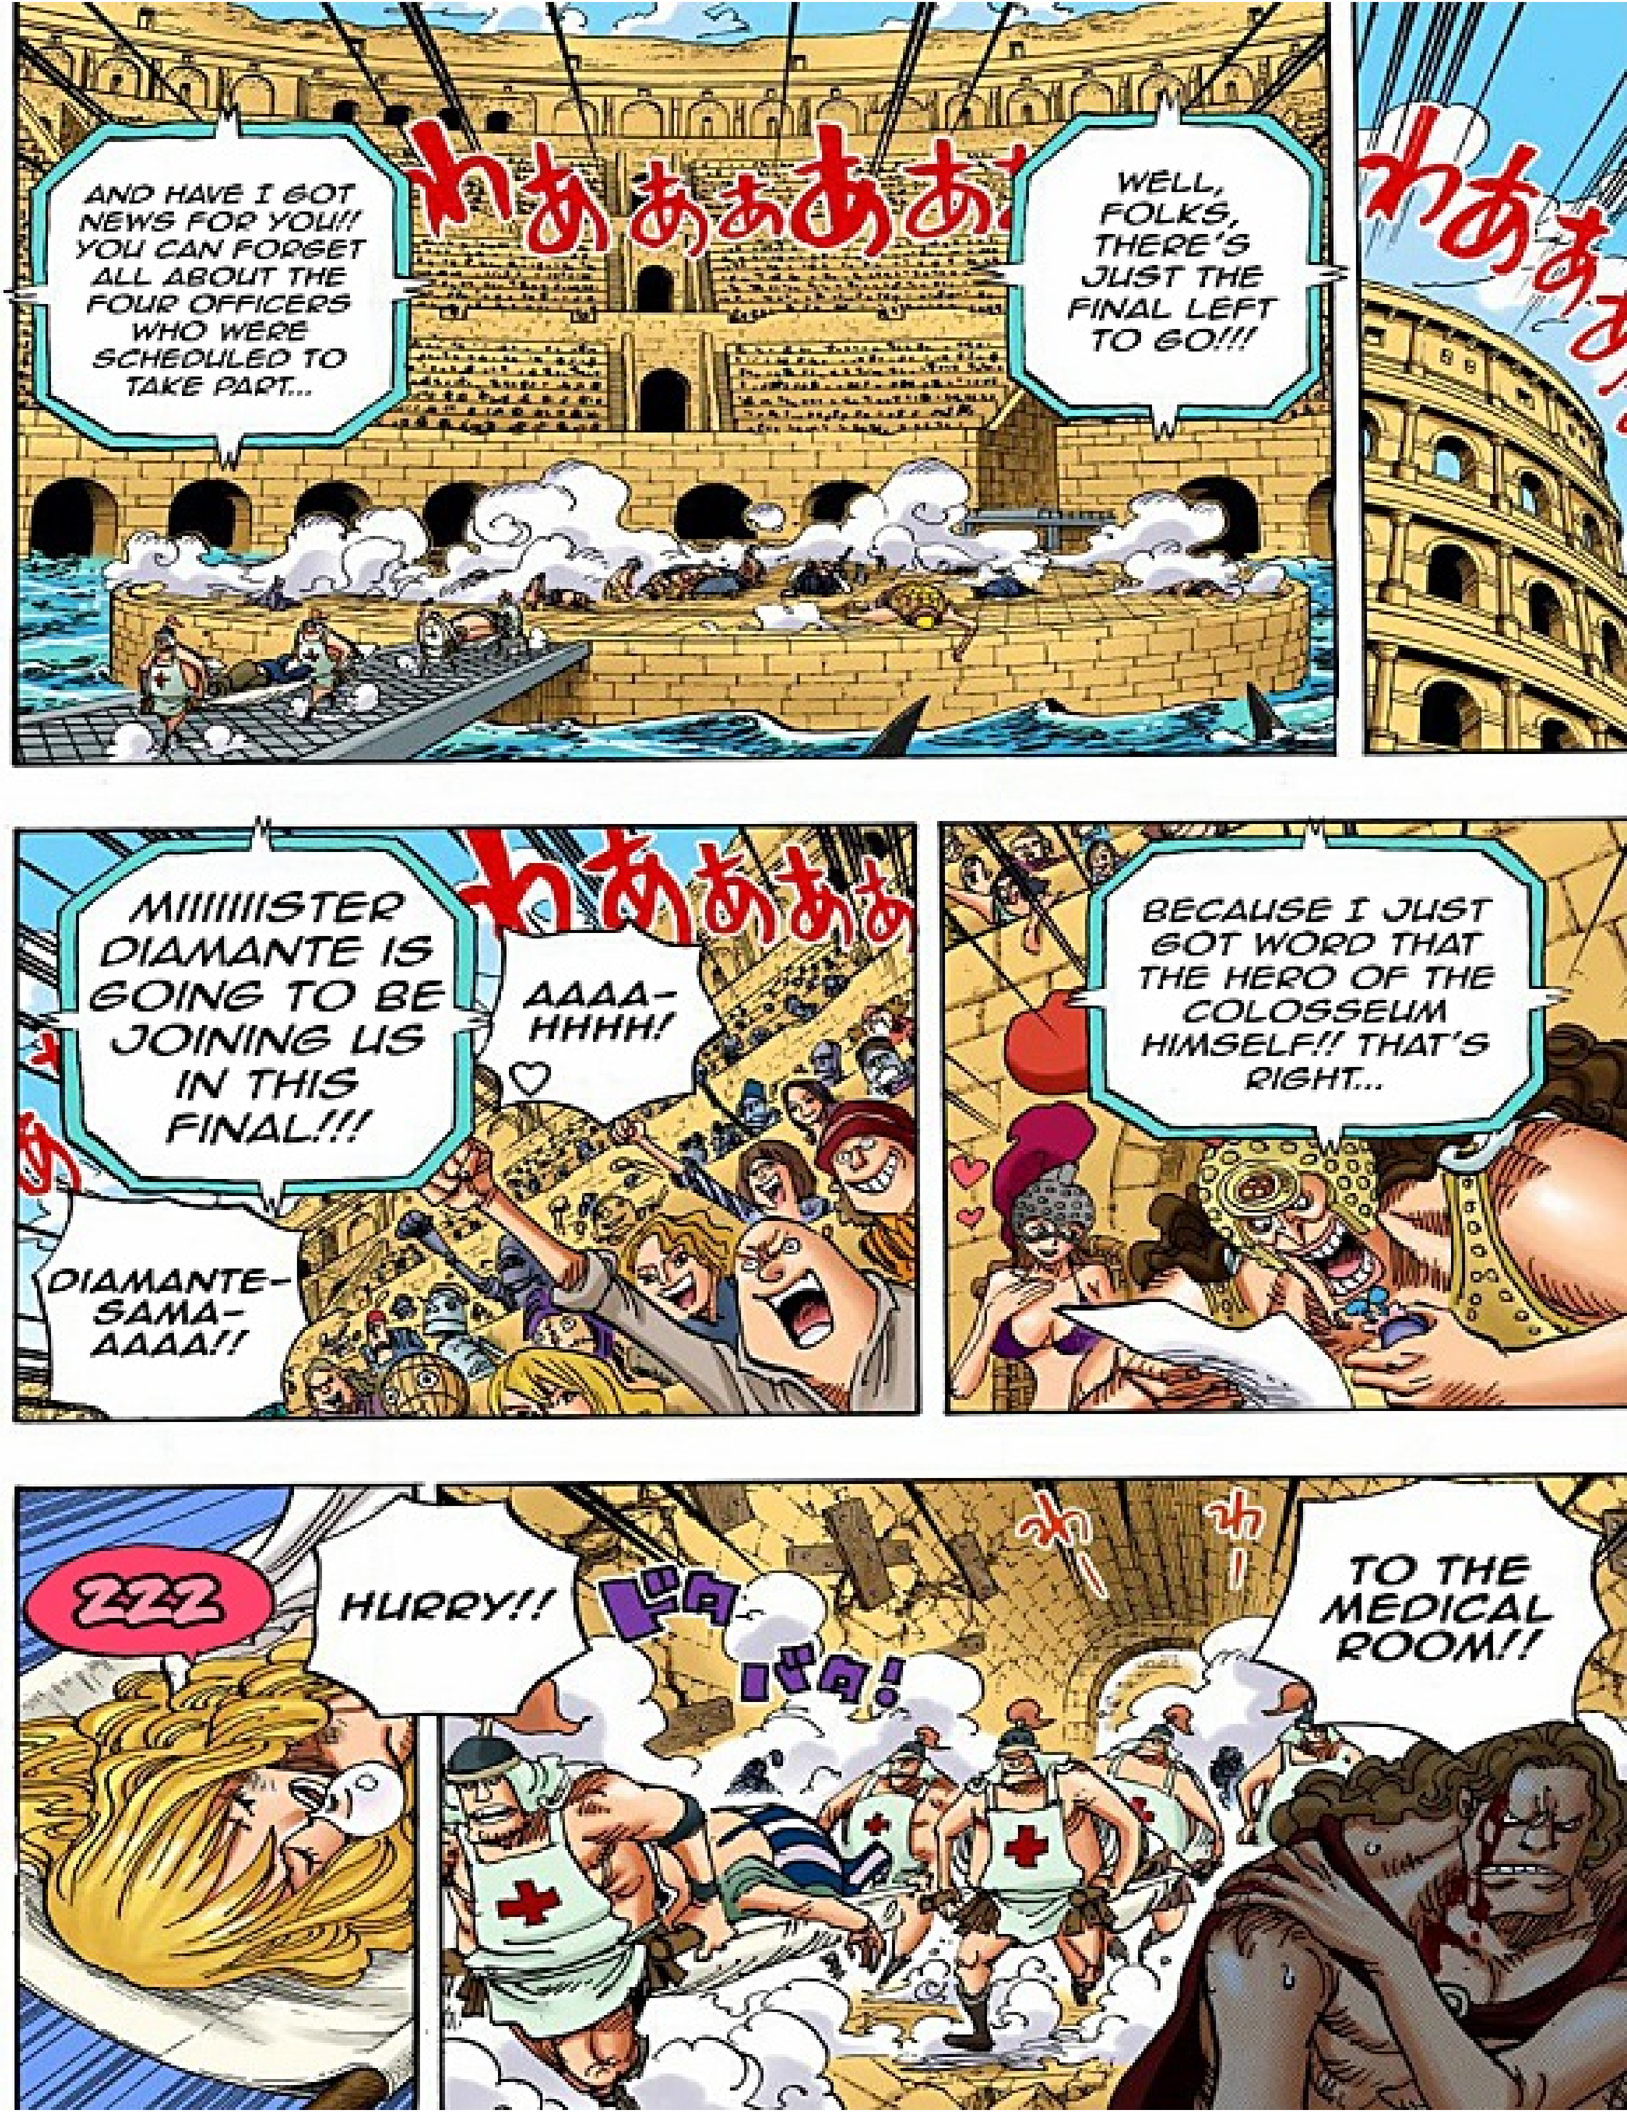

R : I have a question. Does Marco's dick grow back if you cut it off? P.N.: Aokishi

O : Yes. His dick grows back. What the hell, you!!!

BUT I CAN'T DISOBEY THEIR ORDERS!! I CAN'T DO A THING ABOUT IT!!

RUSTLE

SO THAT'S TREBOL...

SHE REALLY IS JUST A KID...
INDEED SHE IS!
SHE LOVES GRAPES AND NEVER STOPS EATING THEM!!
YEAH? WHAT ABOUT IT?
THAT'S THE PLAN!!
TAKE A LOOK AT THIS!!
IT IS A CONCENTRATED DOSE OF THE WORLD'S SPICIEST SPICE, TATABABASCO!!
WE HAVE MADE IT LOOK EXACTLY LIKE A GRAPE!
DON'T TELL ME YOU'RE GOING TO FEED IT TO...?!
I'M GOING TO PUT IT INTO THAT BASKET!!

WE ALREADY TESTED THIS ON 50 TONTATTA!
100% OF THEM FAINTED, AND 18 NEARLY DIED! EHEHEH!

WE ARE WELL PREPARED!!
NOW, WE MUST FEED THIS TO SUGAR!!

GOOD LUCK, LEO!!
WATCH OUT FOR TREBOL!!

NO PROBLEM!!
EVERYONE, PREPARE YOURSELVES!!
WHEN YOU HEAR SUGAR SCREAM...
THAT WILL BE THE MOMENT ALL THE TOYS IN THIS COUNTRY...

THE MOMENT ALL THE LOST MEMORIES RETURN!!!

THE MOMENT THE DARK TRUTH IS REVEALED...
...AND THE PIRATE DOFLAMINGO...
...WILL REVEAL HIS TRUE COLOURS!!

IT'S TIME TO SAVE OUR COMRADES, AND TAKE BACK KING RIKU'S KINGDOM!!!

SERIOUSLY, VOICES DOWN!!

(Tottori prefecture Nakaharamichi-san)

R : Luffy's Haohshoku knocked out 50,000 people, but how many people could Nami's Happiness Punch knock out?

P.N. Capt. Nobuo

O : I see, this is a difficult contest. Well, if they do it with nothing more than their own body as tools, Happiness Punch only works as long as it can be seen, so it can't keep up with Luffy.
But if it was possible to use video Den Den Mushi... Luffy's Haki can't be transmitted, so Nami could attack the whole world at the same time, and would win, I think.
However, we must pay attention to the fact that "Happiness Punch" causes a 100,000 Belly damage to the wallet, so we can say with certainty that it's a nastier attack than using Haki.

R : I want to know at what time the Strawhats get up & go to sleep! P.N. Fujiyama

O : I see, that's an interesting question. Most of them don't have a fixed rhythm, but more or less...

Sleeps when he gets sleepy.
Gets up when he wakes up.
(Sleeps roughly 5 hours a day)

Sleeps at 4 AM.
Gets up at 7 AM.
(+ various naps)

Sleeps at 11 PM
Gets up at 7 AM

Plus, since they sail at night too, they have to keep watch at the front and the back of the ship, so two people are awake at all times: they operate in 2 hour shifts. It's rare that they can sleep for long periods.
